St Peter's new High Altar Frontal

The new High Altar Frontal at St Peter's was dedicated and blessed during the Parish Eucharist on Sunday 27th June. This has been made possible through the generosity of the family of Geoff Blackwell and of Pam McLean, who both loved St Peter's church .

We thank Lydia Smith for many months of hard work in designing and making the altar frontal and all who have helped her. The new frontal replaces the old and worn pre-WW2 one, and will be used for festivals and celebrations such as Christmas and Easter. It matches the green High Altar frontal, dedicated two years ago.

The altar frontal took 1 year to make, most of it by hand. The materials used were,

9 mtrs of Cream brocade material

2 mtrs of Gold material

7 mtrs of fringe

9 mtrs of lining

6 mtrs of white linen

The altar is completely covered including the sides and back.

Rosemary Morton new curate for Coggeshall

Subject to the normal legal formalities, Rosemary is to be Coggeshall's new curate, following three years' ordination training at Westcott House Theological College in Cambridge and her ordination as Deacon in Chelmsford Cathedral in July. Like Judith, she will be with us for

approximately three/four years, under the guidance of Fr Philip who is her 'training incumbent'. A brief biography of Rosemary, together with a page on "What does a Curate do?" is on our church website at www.st-peter-ad-vincula.org.uk
